

Cancellation & Refund Policy

Last Updated: August 2026

At Get Healthy Lifestyle, customer satisfaction is important to us. This Cancellation & Refund Policy explains the terms regarding cancellations, refund requests, and eligibility for refunds.

1. 30-Day Money-Back Guarantee

We offer a 30-day refund policy. Customers may request a refund within 30 days from the date of purchase, provided that the request meets the conditions outlined in this policy.

To request a refund, customers must contact our support team within the 30-day period and provide the required purchase information, including the name used during checkout and order details.

2. Cancellation Policy

Customers may request cancellation of their purchase or subscription at any time by contacting our customer support team.

Cancellation requests must be submitted before the next billing cycle to avoid future charges for recurring services or subscriptions.

Once a cancellation request is confirmed, no additional charges will be processed after the effective cancellation date.

3. Refund Eligibility

To be eligible for a refund, the customer must submit the request within 30 days of the original purchase date, provide valid order information, and follow the refund request process.

4. Refund Processing Time

Once approved, refunds will be processed within 5–10 business days. The time required for funds to appear may vary depending on the payment provider or financial institution.

5. Non-Refundable Situations

Refund requests may be denied for requests submitted after the 30-day period, fraudulent transactions, unauthorized purchases, violations of our Terms of Use, or abuse of the refund policy.

6. Subscription Cancellation

Customers may cancel recurring subscriptions at any time. Cancellation prevents future charges but does not automatically refund previous payments unless eligible under this policy.

7. How to Request a Refund

To request a cancellation or refund, provide your full name, email address associated with the order, order number or transaction details, and reason for the request.

8. Policy Changes

Get Healthy Lifestyle reserves the right to update or modify this policy at any time. Changes become effective immediately after publication.
